The VIV Virtual Summit – Asia Edition is aimed at providing an interactive platform to allow for exchange of ideas, updates, knowledge, and market trends spread over a span of 3 days. It will touch a plethora of topics, **with a focus on Asia** – biosecurity in poultry farming, opportunities in Thai pork import to China, recent applications & functionalities for poultry, aqua & swine, transition to cage-free production systems, sustainable productivity, steps to curb the spread of animal diseases & AMR, future of protein consumption in Asia, development of the insect farming industry, just to name a few.

Among the 30+ speakers, you will hear from: Dr Quaza Nizamuddin Bin Hassan Nizam, FAVA Preseident, Jayasimha Nuggehalli, Co-founder & COO Global Food Partners, Dr Bernd Christiansen, Counselor for Food and Agriculture, Embassy of the Federal Republic of Germany Bangkok, Thailand.

Join the exclusive sessions to explore **various perspectives and cutting-edge research and development** for the topics of your choice.
